Yummy Hammy Balls

Makes 50 Balls

Ingredients for balls

1 pound each, ground beef, ground pork, ground ham (My supermarket only sold ham slices, so I chopped it fine in my Cuisinart)
2 cups soft breadcrumbs
1 cup milk
2 eggs

Ingredients for Sauce

2 cups brown sugar
1 cup white vinegar
2 teaspoons dry mustard
1 cup water

Directions

Combine sauce ingredients into large saucepan and bring to a boil
Combine all meatball ingredients and shape into walnut-sized balls. Drop into sauce and simmer for one hour.

Serve meatballs in the sauce with toothpicks for stabbing.
These freeze very well.
