

Handmade by Mrs. Saint Nick

YARN SANTA DECORATION

You'll need

One ring—I used a curtain ring

Red yarn

White yarn

Black beads, red beads

Thread

Directions

Cut yarn into strips long enough to loop around the ring. I worked with double strands of white to give my husband a bigger beard. Folding the white yarn strips in half, I pulled the strands through a loop around the ring and tightened it. Make sure you do all the loops the same way.

Halfway round add nose and eye beads slipped onto thread and tied onto the ring. I used double black beads because I adore Mr. Saint Nick's sparkling big eyes.

Tuck the thread under the double loops of red yarn you use for a hat. Tie the red at the top to make a pointed-pom-pom hat and add a piece of yarn, or a hook, for hanging.

Trim the white yarn of straggles.
